International Ticket Policy:

- All members are entitled to apply for International tickets. Applications for tickets received after 30 September 2017 will only be considered if there are surplus tickets available after all orders received prior to that date have been satisfied in full.
- As a result of the SRU's allocation policy, and in keeping with Club Policy outlined in previous seasons' Ticket Application Forms, Club Members who bought tickets for Six-Nations matches at Murrayfield during the 2016 – 2017 Season will be given priority in the Allocation of tickets for the Murrayfield games in Season 2017 – 2018. It's assumed this policy will continue from Season to Season for the foreseeable future. **Please Note:** It's emphasised that this policy relates to **HOME** games only.
- Once the Club's ticket allocation has been distributed in compliance with Item 2, the remainder of Home tickets, and all Away tickets, will be distributed on the basis of one Ticket per member until all grades of membership have been satisfied. If there's a shortage in meeting total demand, the following priorities will be applied to Ticket Distribution: Committee, Hon. Life Member, Life Member, Ordinary Member, Associate Member and then others of Associate Status. Only after all grades of Member are allocated one ticket, will a second round of Ticket allocations be made by the same method and so on until such time as the Club's ticket supply has been fully allocated. It is however worthy of note that supply shortages for Currie RFC members are extremely rare and not normally anticipated.
- For away matches, preference will be given within the above priorities to members who can assure the Committee they are personally travelling to matches. Again it's worthy of note that the Irish, Italian and Welsh rugby unions always try to look after visiting supporters and supply shortages for Club Members are not anticipated.
