

Introduction

Currie Rugby Football Club offers a range of membership types designed to meet individual needs. Multiple memberships are also available as Family Membership packages. The types of memberships and related benefits are set out on the next page.

The club's membership year runs from 1 August to 31 July. Full-year memberships may be taken out or renewed from July onwards.

The club-preferred system for membership payments made from a distance is BACS/Bank transfer. However, for new or renewal memberships made whilst attending the club payments may be made by cash, credit card or Bank cheque. Payment information and details of the club's Bank Account are provided in the payment section of the attached Application Form.

Spouse/partner membership

A Spouse/Partner membership can only be purchased together with an Ordinary membership. It has similar benefits to an Associate membership, but match entry concessions may be interchanged with the Ordinary member, permitting the Spouse/Partner to gain free entry to matches that the Ordinary member does not attend.

Family memberships

Family memberships provide multiple memberships consisting of an Ordinary member, Spouse/Partner member and youth members in the P1-P3 and P4-U18 age groups, either playing or non-playing.
